A very good afternoon one and all present here. I once again heartily welcome you all to the Annual Day celebration of Mata Gujri Public School. I am indeed honoured to have this opportunity to present before you consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of

this glorious journey. The Annual Report showcases the achievements and glories of our

school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

ACADEMICS

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great" The year 2024 commenced on a wonderful note when the results of our 10th and 12th classes CBSE Board Examination came out. We are happy to share with the details of the commendable performances of our students. 12th class CBSE result was declared in May, 2024 and we are happy to announce that our School attained 100% result and we are glad to announce that in class 10th also we got 100% result. Out of 34 students 30 students got first division. Excellence in academics is the hallmark of any good institution and classes 10th and 12th results of the school prove without any doubt that our students made us proud. None of these achievements would have been possible without the single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well wishers who have shown much confidence and given their fullest support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference. We are still not satisfied with this result. We are aiming for the No 1 slot and have adopted various measures to achieve our goal. Extra coaching classes for the Board examinees, regular weekly tests and special counseling sessions for children are some of these steps.

SPORTS

"To be a great champion you must believe you are the best, if you are not; keep on trying." Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead. Sports, games and physical fitness occupy a place of importance in our curriculum. Our students participated in different sports competitions and won medals, certificates and Our students participated in District and state Levels
